Under this agreement, Pearl Academy students have the following options to transfer into an internationally recognised Bachelor of Design/ Bachelor of Business degree (depending on the chosen course) at Torrens University, Australia for their final year.

a) Transfer to Torrens University after successful completion of the second/ third year (depending on the chosen course) and complete the final year in Australia.

OR

b) Transfer to Torrens University after successful completion of the second/ third year (depending on the chosen course) and complete the final year online.

Since Torrens University began, it has been committed to facilitating genuine opportunities for its academic staff and students to work collaboratively in environments at home and abroad, and to form closer ties with others institutes to deliver a global perspective to the learning experience, particularly in the Asia-Pacific region.

Pearl's strategic focus on forging authentic links with real-world industries to benefit students reflects the philosophy at Torrens University.

Torrens has previously partnered with INTI University, Stamford University and Real Madrid Graduate School, and this alliance with Pearl Academy is an extension of this valued network.

About Torrens University, Australia

As one of only 40 Universities in Australia, Torrens University Australia offers a range of career-focused undergraduate and postgraduate programs in **Business, Education, Hospitality, Design, Health, Project Management, Sports Management and Technology** for study on-campus, online or a hybrid of both. Torrens University's campuses can be found in Sydney, Melbourne, Adelaide and Brisbane, and is led by a team of research and career-oriented academic staff who, combined with a carefully selected group of global industry partners, help students to bridge the gap between study and work. The University recently released an innovative and exciting Research Plan (2016-2020) offering the opportunity to develop distinctive, interdisciplinary, applied and practice based research. The University was also included in 'Table B' of the Higher Education Services Act (HESA) by the Australian Commonwealth Government enabling it to be eligible for research grant funding, notably Australian Research Council grants and national competitive grants.

Torrens University is a hub of industry-centered, cutting edge learning, which is focused on student outcomes and employability. The University is home to some of the best known and respected names in the Australian higher education sector including: Chifley Business School, APM College of Business & Communication, Billy Blue School of Design and Media Design School.
